Ipsylon Restaurant & Bar offers guests a chance to mingle and socialise in a smart and diverse environment while enjoying a variety of dining options throughout the day. The Chef's Table offers the chance for guests to experience Chef Cyril Devilliers unique menu inspired by a range of fresh local products. The Atlântico Pool Bar is a relaxed pool side restaurant which serves light meals as well as the traditional tapas, salads and a variety of finger foods and summer drinks. The clubhouse restaurant, Verbasco, is a firm favourite at The Oitavos, with its stunning views of the ocean from the open terrace and delicious food waiting for you after a morning round. Finally there is the Japanese Bar, which offers show cooking and an opportunity for guests to get an insight into the craft of sushi.

Spa & Leisure

A destination spa that offers a uniquely contemporary spa experience and provides a natural well-being approach, combining seawater therapy with a host of organic and ocean-inspired treatments. Oitavos provides 8 treatment rooms, 1 hairdressing room, and 1 room for pilates lessons, as well as a Jacuzzi, sauna, hammah and indoor swimming pool with heated salt water.

Oitavos Dunes

Oitavos Dunes is one of Europe's best and most eye-catching courses. Situated in Cascais, along Lisbon's beautiful coastline, the course has been built in amongst pine woods and reforested dunes to create a unique and exciting layout. Having hosted the European Tour's GolfSixes event, Oitavos is no stranger to the big stage and a must-play for golfers travelling to the Lisbon area. It was ranked as the best golf course in Portugal by Golf Magazine US and was also voted as one of the Top 100 Courses in the World.

Atlantic Championship, Penha Longa

The Atlantic Championship Course at Penha Longa Resort was designed by Robert Trent Jones Jr. The course takes advantage of the steeply sloping terrain and excellent views of the surrounding landscape. Six of the holes are situated in the valley, whilst the other holes have been built on a hill offering lovely views of the Sintra Hills. The fantastic course has hosted the Portuguese Open three times (1994, 1995 and 2010) as well as the Estoril Open in 1999 and regularly ranks in the top five Portuguese courses.
